To whom it may concern

With this letter, **KSN Corporation**, joins Dubai FDI as a partner and makes a commitment to attracting foreign companies to establish and grow in the region leading to a continuous improvement to the investment environment of Dubai. We believe that **KSN Corporation** can assist companies to grow in the Middle East and utilize the services offered through the following cooperation points:-

- Act as the ideal business partner to foreign companies.
- Measure and track investment performance.
- Develop businesses and implement investment attraction mechanisms.
- Highlight success stories and maintain constant contact.

We understand that our commitment to the points mentioned will help international companies receive the best service available, fast tracked through setting up procedures, and introduced to a wider audience in the region.

Sincerely,
